

CCB Mysteries Newsletter

June 30, 2018

Introduction

Hello everyone and we'd like to start by wishing you a super summer. We hope that wherever you are; your summer is going well for you and once more, we thank you for being our members.

Since our last newsletter, we have been busy planning our next event and this will be taking place on November 02 2018 and it is going to coincide with our first anniversary. My word; how time flies for just the other day we were launching the CCB Mysteries chapter and we sure have come a very long way since then.

Our November 02 dinner mystery event

We are planning some very special activities to mark our first anniversary and we are promising to fill this evening with some very fun activities.

As plans stand today, here is a summary.

*Doors will open at 5 pm sharp and from 5 pm to 7 pm we will have a fortune teller who will be on hand to provide some fun and entertainment for those who wish to have their fortunes told. There will be a charge of a twonee and the first 24 persons to register will be entitled to five minutes of fortune telling.

The birthday dinner

Dinner will commence at around 6 pm and will consist of a birthday dinner box; sandwiches, cookies, cut vegies and dressing to go along.

Water and coffee will also be served.

A choice of regular or vegie sandwiches will be available.

Our game show

- Our game show will commence at around 6:45 and three contestants will be chosen at random from the audience to participate.

Each contestant will be asked a maximum of five questions and will receive \$5 for each correct response.

Our mystery

Our mystery titled “Murder at midnight” will commence at around 7:15 pm.

This mystery has been written and produced by our president Donna Jodhan and the crime takes place in a cemetery of all places.

Lots of twists, turns, and intrigue are to be expected.

Audience participation

The jury will be drawn from the audience.

The sentence to be pronounced will be decided upon by the audience.

Other features

There will be door prizes drawn through out the evening and at the end of it all a special birthday present will be given away to some lucky person!

So there is a lot for us to complete before this birthday event. For those of you living in Toronto we look forward to seeing you there and for those of you who live elsewhere; we will miss you.

Until our next newsletter

Take care
