

**December 23 2017**

Hello everyone and on behalf of the CCB Mysteries chapter we bring you holiday greetings. This is our very first newsletter and we'd like to start by thanking each of you for signing up to be a member.

Some of you are now full members while others are auxiliary members because you are already CCB members.

Who are we? We are a chapter that is made up of members from across Canada and our mission is to host dinner mystery evenings. Our first event is going to be held on the evening of January 19 2018 at the CNIB's Bayview offices in Toronto and the announcement of this event is pasted at the end of this newsletter.

The event will consist of dinner followed by a game show and then the mystery written and produced by me. The mystery is titled "the Bermuda Triangle" and it will include full audience participation.

The jury will be chosen from the audience. The audience will have an opportunity to say who they think did it and they will have the last say! That is to choose the most appropriate sentence on the one found guilty!

It is our hope that in the not too distant future we would be able to host similar events across Canada but one step at a time as they say. I am also hoping that we would be able to host tele conferences at least twice annually so that we can hear from our members with any suggestions that they may like to share with us.

If anyone would like to join our board then please write to me at [donnajodhan@sterlingcreations.ca](mailto:donnajodhan@sterlingcreations.ca).

I am the president and Lynda Spinney is our vice president and treasurer.

So there you have it.

We wish you the very best for a merry Christmas, happy holidays, and nothing but success for 2018

Signed

Donna jodhan; president

You're invited!

A dinner mystery evening filled with lots of fun, laughter, and pure excitement!

On January 19 Author Donna Jodhan and her friends in collaboration with the CNIB and others invite you to share an evening that promises to be filled with lots of surprises and full audience participation but most of all! A sizzling mystery that will keep you at the edge of your seat until the very end and even beyond!
